The purpose of this RFP is to procure various types of training services from providers to train participants in each county for the period of January 2, 2015 to December 31, 2016.

During this period, public training providers such as the University of Hawaii and State Department of Education and private training providers will offer potential trainees more choices to meet individual needs. This RFP is intended to result in a list of training services that ***in total*** provides in each area a comprehensive array of courses that are high-quality, conveniently located, reasonably priced, reliable, and effective.

The needs and skills of individual participants will vary; therefore, even the approximate number of participants to attend any particular training course cannot be predetermined or guaranteed. The ETF counselor and the employer will decide on what training is to be undertaken. They will base their decisions on company training needs, class schedule(s), course content, location, and market price in accordance with ETF program policies and procedures.

The number of contracts awarded will depend on what training provides the optimal choices for a particular area as determined by the State. An applicant who is awarded a contract is hereinafter referred to as "Provider."

B. Planning activities conducted in preparation for this RFP

A request for information (RFI) for this contract has not been solicited for this RFP.

C. Description of the goals of the service

2. Industry or employer specific training programs where there are critical skill shortages in high growth occupational or industry areas.

F. Geographic coverage of service

Services and activities being procured shall be provided on any one or more of the following Counties:

Hawaii County
Maui County, including Lanai and Molokai

G. Probable funding amounts, source, and period of availability

Anticipated funding amounts available for training services provided throughout the term of the contract is approximately \$800,000. However, every contract awarded will at all times, be subject to the availability of ETF funds, and may be terminated without liability being assigned to either the State or the Provider for any adverse impact resulting from the termination in the event that funds are not appropriated or available.

The State reserves the right to determine the funding level for each Provider based on the most effective use of funds as determined by the State. There is *no guarantee* that *ANY minimum amounts* will be expended because individual training needs cannot be pre-determined.

Contracts to be awarded as a result of this RFP may be extended for periods up to 24 months as mutually agreed upon by the State and the Provider. The total period of extensions shall not exceed 24 months. Any extension(s) of the time of performance of the Contract under this RFP shall be executed in a timely manner as may be reasonable and by written amendment to the Contract. Contract extensions will be based upon the availability of funds, the status of the ETF program, and the Provider's performance, which includes, but is not limited to, the ETF participants' satisfaction with the training, the number of

Detailed arrangements and specific prices for providing the additional classes will be negotiated between the State and the Provider at the time that the need is identified. GENERAL CONDITIONS FOR HEALTH & HUMAN SERVICES CONTRACTS

1. Representations and Conditions Precedent

1.1 Contract Subject to the Availability of State and Federal Funds.

1.1.1 State Funds. This Contract is, at all times, subject to the appropriation and allotment of state funds, and may be terminated without liability to either the PROVIDER or the STATE in the event that state funds are not appropriated or available.

1.1.2 Federal Funds. To the extent that this Contract is funded partly or wholly by federal funds, this Contract is subject to the availability of such federal funds. The portion of this Contract that is to be funded federally shall be deemed severable, and such federally funded portion may be terminated without liability to either the PROVIDER or the STATE in the event that federal funds are not available. In any case, this Contract shall not be construed to obligate the STATE to expend state funds to cover any shortfall created by the unavailability of anticipated federal funds.

1.2 Representations of the PROVIDER. As a necessary condition to the formation of this Contract, the PROVIDER makes the representations contained in this paragraph, and the STATE relies upon such representations as a material inducement to entering into this Contract.

1.2.1 Compliance with Laws. As of the date of this Contract, the PROVIDER complies with all federal, state, and county laws, ordinances, codes, rules, and regulations, as the same may be amended from time to time, that in any way affect the PROVIDER's performance of this Contract.

1.2.2 Licensing and Accreditation. As of the date of this Contract, the PROVIDER holds all licenses and accreditations required under applicable federal, state, and county laws, ordinances, codes, rules, and regulations to provide the Required Services under this Contract.

1.3 Compliance with Laws. The PROVIDER shall comply with all federal, state, and county laws, ordinances, codes, rules, and regulations, as the same may be amended from time to time, that in any way affect the PROVIDER's performance of this Contract, including but not limited to the laws specifically enumerated in this paragraph:

1.3.1 Smoking Policy. The PROVIDER shall implement and maintain a written smoking policy as required by Chapter 328K, Hawaii Revised Statutes (HRS), or its successor provision.

1.3.2 Drug Free Workplace. The PROVIDER shall implement and maintain a drug free workplace as required by the Drug Free Workplace Act of 1988.

1.3.3 Persons with Disabilities. The PROVIDER shall implement and maintain all practices, policies, and procedures required by federal, state, or county law, including but not limited to the Americans with Disabilities Act (42 U.S.C. §12101, et seq.), and the Rehabilitation Act (29 U.S.C. §701, et seq.).

1.3.4 Nondiscrimination. No person performing work under this Contract, including any subcontractor, employee, or agent of the PROVIDER, shall engage in any discrimination that is prohibited by any applicable federal, state, or county law.

1.4 Insurance Requirements. The PROVIDER shall obtain from a company authorized by law to issue such insurance in the State of Hawai'i commercial general liability insurance ("liability insurance") in an amount of at least TWO MILLION AND NO/100 DOLLARS (\$2,000,000.00) coverage for bodily injury and property damage resulting from the PROVIDER's performance under this Contract. The PROVIDER shall maintain in effect this liability insurance until the STATE certifies that the PROVIDER's work under the Contract has been completed satisfactorily.

The liability insurance shall be primary and shall cover the insured for all work to be performed under the Contract, including changes, and all work performed incidental thereto or directly or indirectly connected therewith.

A certificate of the liability insurance shall be given to the STATE by the PROVIDER. The certificate shall provide that the STATE and its officers and employees are Additional Insureds. The certificate shall provide that the coverages being certified will not be cancelled or materially changed without giving the STATE at least 30 days prior written notice by registered mail.

Should the "liability insurance" coverages be cancelled before the PROVIDER's work under the Contract is certified by the STATE to have been completed satisfactorily, the PROVIDER shall immediately procure replacement insurance that complies in all respects with the requirements of this section.
